

Piks : Cartes Créatives

Collection Piks

Les cartes créatives Piks sont un accessoire additionnel à Piks, un jouet créatif conçu pour développer l'attention et la concentration des enfants (3 ans et +).

Les cartes créatives Piks sont un ensemble de 24 cartes (de trois niveaux de difficulté ainsi qu'un niveau défi) qui propose aux enfants de multiples et belles possibilités créatives à réaliser. Ces cartes peuvent être un exemple mais aussi un outil pour s'exprimer et imaginer un nouveau monde : tours, édifices, animaux, faune, personnages, etc...
